

# REACTIONS OF ALKENES 2

## 1) but-2-ene + Br<sub>2</sub>

balanced equation (showing structural formulae)

name of organic product

name of mechanism

mechanism

## 2) methylpropene + HBr

balanced equation (showing structural formulae)

name of organic product

name of mechanism

mechanism

## 3) but-1-ene + H<sub>2</sub>SO<sub>4</sub>

balanced equation (showing structural formulae)

name of organic product

name of mechanism

mechanism
