

REACTIONS OF PERIOD 3 OXIDES

Write a balanced equation for these reactions of period 3 oxides.

1	magnesium oxide + sulfuric acid
2	sulfur trioxide + sodium hydroxide
3	sodium oxide + water
4	sodium oxide + nitric acid
5	phosphorus oxide + sodium hydroxide
6	sulfur dioxide + potassium hydroxide
7	aluminium oxide + nitric acid
8	phosphorus oxide + water
9	silicon dioxide + sodium hydroxide
10	aluminium oxide + sodium hydroxide
11	sulfur dioxide + sodium oxide
12	magnesium oxide + phosphorus oxide
